

**EL ETHAD**

FOR THE MANUFACTURE OF PACKAGING MATERIALS

**NOT JUST A BAG**

“

**WE'RE**

**ONE OF THE LARGEST**

**PRODUCERS**

**OF PE IN EGYPT**

”

## WHO ARE WE?

---

We are one of the largest egyptian companies producing different products of **polyethylene** in different grades of agricultural houses and hard working bags for (**putties, paints and plastic raw materials**), and high quality packing & packaging that is known internationally to meet the needs of the local market and the export requirements.

The company was established in 2002, aiming at manufacturing and marketing of various polyethylene products to reach the production capacity of its products to satisfy customers

**EL ETHAD**

FOR THE MANUFACTURE OF PACKAGING MATERIALS

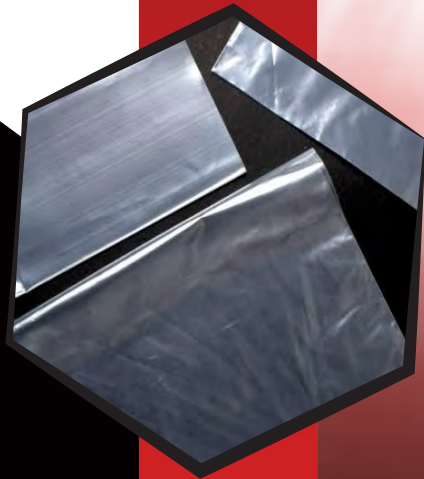

**NOT JUST A BAG**

- **LDPE**

- LDPE Rolls and Bags

Transparent | Printed | Colored

This type is used for the packaging of various products which is characterized by a **high degree of transparency and flexibility** available at (all widths) on demand, and ranges from **30 microns** thickness to **300 microns** and also suitable for food use.

**NOT JUST A BAG**

- **HDPE**

- HDPE Rolls and Bags

Transparent | Printed | Colored

This type is used in **packing foodstuffs** like (cheese, dairy, and electrical appliances, etc..).

It is somewhat dark and ranges from **15 microns** to **120 microns**.

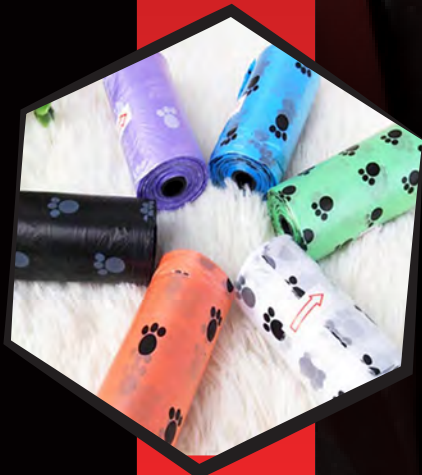

- **HDPE**

- HDPE Trash Rolls and Bags

Transparent | Printed | Colored

These are bags for household waste, factory and hospital waste, and there are also bags for hazardous waste.

**NOT JUST A BAG**

- **SHRINK FILM**
- PE Shrink Wrap

This type is used in packaging soft drinks, mineral water, canned goods and pallets using heat furnaces or direct fire starting from thickness of **30 microns** up to **300 microns** available in widths starting from **15 CM** to **4 Meters** width

- **SHRINK FILM**
- PE Shrink Hoods for pallets

With superior strength and clarity, our Shrink Hoods not only protect but also enhance the presentation of your products with circumference up to **560 cm**.

**NOT JUST A BAG**

- **SHRINK FILM**
- POF rolls and bags

It is known for its **flexibility and toughness**, where the raw material is not easily cut.

Polyolefin shrink is **odorless** using the oven heat or expose the product to a heat source, Where polyolefin shrink due to heat and shrink the product and encases.

Available thickness of the following: **15 , 19 , 25 micron** and Width from **15 to 60 cm**.

- **HEAVY DUTY**

- Heavy Duty Sacks

Transparent | Printed | Colored

Ideal for **paint companies**, these heavy-duty sacks ensure the safe transport and storage of powder paint materials, protecting them from environmental factors and handling stresses. Whether for bulk handling within manufacturing facilities or efficient transportation, our PE Heavy Duty Sacks are the dependable choice, offering durability, versatility, and peace of mind for a wide range of industrial applications.

**NOT JUST A BAG**

- **STRETCH FILM**
- Manual Stretch Wrap

This type is used for the **packing of pallets** away from the use of any heat and Widths start from **5 cm to 60 cm** and thickness starts From **17 microns to 60 microns**.

It is used in manual way and the weight of the roller is approximately **3 KGs**.

- **STRETCH FILM**
- Automatic Stretch Wrap

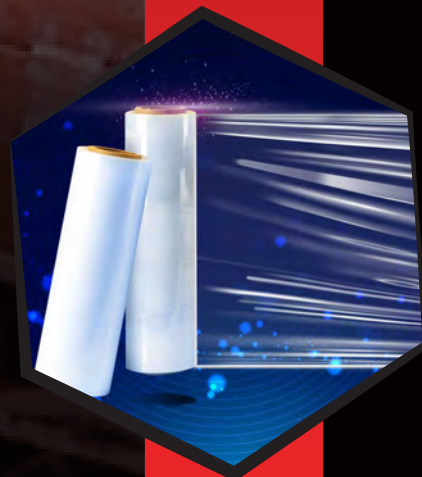

This type is used in the **packing of pallets** away from the use of any heat and Widths start from **5 cm to 150 cm** and thickness starts From **12 microns to 65 microns**. It is available as a big roll approximately **17 KGs** used to wrap pallets by machines.

**NOT JUST A BAG**

- **STRETCH FILM**
- Super Power Stretch Wrap

A type of automatic stretch wrap that gives great tensile strength that may reach up to 450%.

# OUR SPECIALITIES

- 1- Biodegradable PE films
- 2- BHT free PE films
- 3- Antistatic PE films
- 4- Non-fusion PE films
- 5- UV PE films
- 6- Bags with adhesive tapes
- 7- Bags with ventilation holes

**NOT JUST A BAG**

**ISO 9001**

**ISO 9001:2015 Certificate**

Certificate No. QMS/DAS18/E0135 UIC No. MSCB-133-96761

## Certificate of Registration

*This is to certify that the Quality Management System of*

### AL ETHAD FOR THE MANUFACTURING OF PACKAGING MATERIALS

Plot No. 135, Industrial Zone 250 Acres, Badr City, Cairo- Egypt

*Has been successfully assessed & conforms with the following standard*

# ISO 9001:2015

*Scope of Certification*

**“Manufacture, Import & Export of Plastic Bags & Rolls”**

Initial Registration Date : 30-07-2018	Issue Date : 30-07-2018
Surveillance 1 Audit Date : 30-06-2019	*Expiry Date : 29-07-2019
Surveillance 2 Audit Date : 30-06-2020	Validity : 29-07-2021

\* Subject to successful completion of Surveillance Audits
